

About Sun Pharma

Enriching Lives Everyday

We are a leading global specialty generic pharmaceutical Company with over US\$5.4 Billion in revenues. We provide high-quality, affordable medications trusted by healthcare professionals and patients in 100+ countries, backed by 43 manufacturing facilities and strong R&D capabilities. We manufacture and distribute a diverse and wide range of pharmaceutical formulations for both chronic and acute therapies comprising generics, branded generics, specialty, complex or technology-intensive products, over-the-counter (OTC) medications, antiretrovirals (ARVs), active pharmaceutical ingredients (APIs), and intermediates.

We are an innovation-centric pharmaceutical Company committed to making impactful efforts towards building a sustainable world.

Our Vision

Our approach to business operations and long-term value creation is governed by our vision and supported by our value system.

Reaching people and touching lives globally as a leading provider of valued medicines

Sunology

At Sun Pharma, we place strong emphasis on creating the right culture to generate positive impact through four foundational components constituting our 'Sunology', or way of life.

Humility

Integrity

Passion

Innovation

Growth Strategy

Living up to our rich legacy as a leading pharmaceutical Company, we are committed to long-term business growth and development for all our stakeholders. Since inception, we have invested in four growth drivers and focused on four critical components to achieve our growth strategy and sustain successful business outcomes.

Growth Drivers
