## Statutory auditor's report on the financial statements

15 month period ended 31 March 2014 OPIH France Sarl 11-15, Quai De Dion Bouton 92800 Puteaux This report contains 3 pages Référence : This is a free translation into English of the statutory auditor's report on the financial statements issued in French and it is provided solely for the convenience of English-speaking users. The statutory auditor's report includes information specifically required by French law in such reports, whether modified or not. This information is presented below the opinion on the financial statements and includes an explanatory paragraph discussing the auditor's assessments of certain significant accounting and auditing matters. These assessments were considered for the purpose of issuing an audit opinion on the financial statements taken as a whole and not to provide separate assurance on individual account balances, transactions, or disclosures.

This report also includes information relating to the specific verification of information given in the management report and in the documents addressed to shareholders.

This report should be read in conjunction with, and construed in accordance with, French law and professional auditing standards applicable in France.

#### Statutory auditor's report on the financial statements

15 month period ended 31 March 2014

#### To the Shareholders,

In compliance with the assignment entrusted to us by your general shareholders meeting, we hereby report to you, for the 15 month period ended 31 March 2014, on:

- the audit of the accompanying financial statements of Ranbaxy Pharmacie Génériques S.A.S.;
- the justification of our assessments;
- the specific verifications and information required by law.

These financial statements have been approved by the President. Our role is to express an opinion on these financial statements based on our audit.

#### Opinion on the financial statements

We conducted our audit in accordance with professional standards applicable in France; those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures, using sampling techniques or other methods of selection, to obtain audit evidence about the amounts and disclosures in the financial statements. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made, as well as the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the financial statements give a true and fair view of the assets and liabilities and of the financial position of the Company and of the results of its operations for the year then ended in accordance with French accounting principles.

#### Justification of our assessments

In accordance with the requirements of article L.823-9 of the French Commercial Code ("Code de commerce") relating to the justification of our assessments, we inform you that the assessments made by

us in the context of our audit of the financial statements focused particularly on the accounting principles applied.

The audit evidence we obtained and the assessments we made on these items contributed to the formation of the opinion expressed in the first part of this report.

Specific verifications and information

We have also performed, in accordance with professional standards applicable in France, the specific verifications required by French law.

We have no matters to report to the fair presentation and the consistency with the financial statements of the information given in the management report of the President, and in the documents addressed to the shareholders with respect to the financial position and the financial statements.

Paris La Défense, 12 May 2014

Didier Oger Partner
